TALIA R. BOUT

Concord, MA | (978) 505-6718 | tbout@tulane.edu | linkedin.com/in/talia-bout

OBJECTIVE

Public Health and Economics student seeking an associate consultant role, applying market access, reimbursement policy, and translational research experience to life sciences strategy and commercialization.

EDUCATION

TULANE UNIVERSITY | Celia Scott Weatherhead School of Public Health & Tropical Medicine **New Orleans, LA**
B.S. Public Health; Minors: Economics; Strategy, Leadership & Analytics *May 2027*
GPA: 3.81 | **Honors:** Dean's List, all semesters
Relevant Coursework: Health Economics & Policy, Biostatistics, Public Health Genomics, Economics and Healthcare Reform, Cell and Molecular Biology, Strategic Management, Micro/Macroeconomics, Artificial Intelligence Tools

EXPERIENCE

GIFT OF LIFE MARROW REGISTRY **New Orleans, LA**
Campus Ambassador Program (CAP) Intern *August 2026 – Present*
- Selected to lead a semester-long donor recruitment campaign of 10 drives, each targeting 50 registrations.
- Coordinate 30 ambassadors and volunteers across four hour-long shifts per drive through student organization partnerships.
- Established a channel partnership with an annual community 5K to reach donor segments underrepresented on the registry.

VERTEX PHARMACEUTICALS **Boston, MA**
US Public Affairs Intern, Policy & Reimbursement Team *May 2026 – July 2026*
- Developed a 50-state landscape analysis of "medically frail" exemption definitions under Medicaid work requirements, identifying where cystic fibrosis and sickle cell patients faced the greatest disruptions in access to therapy.
- Synthesized the CMS interim final rule on Medicaid work requirements into a concise executive briefing for ~40 stakeholders, including Director- and Vice President-level leadership.
- Classified ~500 state bills by status, company position (support, oppose, or monitor), and priority tier.
- Designed a repeatable physician-fellow partnership framework for Market Development, retained by the team.

MASSACHUSETTS GENERAL HOSPITAL – MANSTEIN LAB **Boston, MA**
Samuel Fisher Memorial Fellow, Dermatology Innovation Research Internship *May 2025 – July 2025*
- Selected as one of four fellows supporting translational research in laser-based dermatologic technologies.
- Conducted literature reviews and structured clinical trial datasets across histology, prototype testing, and machine learning teams; presented findings weekly to ~35 researchers and clinicians.

CANCER GENETICS RESEARCH **Concord, MA**
Researcher *December 2021 – June 2022*
- Analyzed racial disparities in cancer treatment and how healthcare access shaped outcomes for minority patients.

CONSULTING & STRATEGY PROJECTS

MATERNAL HEALTH POLICY — CONSULTING SIMULATION | Tulane University **Fall 2026**
- Advise on a semester-long policy-consulting engagement on preventable pregnancy-related death in Louisiana; authored the policy-opportunity, beneficiary, and stakeholder and advocacy analysis sections of the team's proposal.

HERBOLARIO DOEMI — RETAIL STRATEGY PROJECT | CIEE Madrid, Spain **Fall 2025**
- Delivered a modernization strategy for a wellness retailer, assessing operational and customer-engagement gaps and recommending merchandising, digital marketing, and customer-education changes.

LEADERSHIP

TULANE MIRACLE | Children's Miracle Network Hospitals **New Orleans, LA**
Director (previously Director of Logistics; Programming Chair) *September 2024 – Present*
- Lead a 30-member executive board and ~100 members, raising $35,000+ for Children's Hospital New Orleans.

UBUNTU MUNDO **New York, NY**
Junior Executive Board Member *June 2025 – Present*
- Expand fundraising and marketing for a childhood hunger nonprofit feeding 1,250+ children daily.
